To whom it may concern:

We were very fortunate to have someone recommend All-Star Pools (Mr. Bajalieh). Mr. Bajalieh not only helped us design our pool, he worked with us on all aspects of the pool. He was always available, knowledgeable, and courteous. I was moving from Massachusetts, and Mr. Bajalieh worked with my daughter and granddaughter in getting the pool ready for my arrival in Texas. Everything was done according to specifications and on time. We are proud to recommend All-Star Pools to anyone who is contemplating in building a pool.

Very truly yours,
